Reepham FISHERY

Widely regarded as one of Norfolk's premier pleasure coarse fisheries...

WELCOME to Reepham Fishery, we are best known for the quality and quantity of our fish, plus the care we take to protect them and the beauty of the natural surroundings in which we are set...

Our lakes and grounds are a haven for Wildlife and the perfect place to unwind and enjoy some time at the water's edge. If it's a day's match fishing, a corporate event complete with hospitality or simply a few hours indulging in your favourite hobby – we're confident you'll find it at Reepham Fishery.

The Lakes

Widely regarded as one of Norfolk's premier pleasure coarse fisheries...

Having completed an extensive programme of improvements we have created a popular venue for day ticket fishing, corporate events and holidays. The aim of the fishery is to provide customers with a quiet undisturbed and safe environment which is as close to nature as possible. Protecting the wellbeing of the fish, only the fishery landing nets and mats must be used and we aim to preserve the natural environment as much as possible.
